

APRIL 2 – JUNE 25

All classes will continue via Zoom. *Fully vaccinated and boosted* students who have registered for the full term of classes have the option to attend one (or two, space permitting) class(es) at Judy's H'Om Studio in West Medford. In-person participation will be limited to two students per class. On the Signup Genius registration page for each class, there is a separate link to sign up for in-person attendance. If you wish to attend in person, please register for only one in-person class right now. I will let you know if there is room for a second attendance. You do not need to remove your name from the Zoom list on any date you register for in-person attendance.
